

EMSWORTH HORTICULTURAL SOCIETY

DISTRIBUTION HUT STOCK LIST JULY 2009

Situated at Washington Road Allotment Site, Emsworth

We are open every Sunday from 10.00 to 12.00 all year round. (Except Aug. bank holiday weekend and either side of Christmas). March - June we open earlier at 09.30.

This is a list of the items that we regularly have in stock at the hut. (Subject to availability.)

Everything for the Keen Gardener / Allotmenteer.

In addition, we also seasonally stock a good range of Bulbs, onion / shallot sets, garlic, & seed potatoes. The hut is staffed entirely by volunteers who have a wide range of Horticultural knowledge and experience, and who will always be able to give help and advice (as well as loading goods in your car). If we do not have the items you need - just ask and we shall see if we can get it for you.

If you are already familiar with our 'Hut' then please pass this on to any Gardening friends.

Remember - the more we sell the more competitive our prices will be!
